Election Response

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Election Requirement dated June 28, 2005, requiring election between:

Species (1): Figs. 3-4, a coating type optical film in which a linear polarizer is coated on a phase difference film;

Species (2): Figs. 5-6, a coating type optical film in which a linear polarizer is coated directly on an interference-type linear polarizer;

Species (3): Fig. 7, a coating type optical film in which a linear polarizer is coated on a substrate and adhered to an upper surface of a phase difference film; or

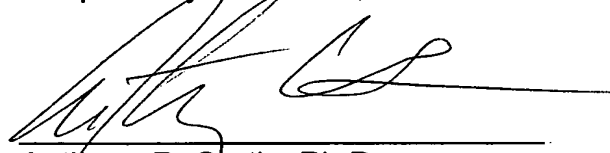

Species (4): Fig. 8, a coating type optical film in which a linear polarizer is coated on a substrate and adhered to an upper surface of an interference-type linear polarizer.

Applicant elects Species (1), Figs. 3-4, corresponding to Claims 1-7, and 13-20. Applicant also submits that at least Claim 1 is generic to all the species. Thus, should Claim 1 be allowed, the election requirement must be withdrawn and all species allowed.

Conclusion

In view of the amendments and arguments above, Applicants respectfully submit that all of the pending claims are in condition for allowance and seek an allowance thereof. If for any reason the Examiner is unable to allow the application in the next Office Action and believes that a telephone interview would be helpful to resolve any remaining issues, he is respectfully requested to contact the undersigned.

Respectfully submitted,
